

# YAC-N3116

## Hexadecyltrimethoxysilane

CAS No. 16415-12-6

### Specifications:

Tests	Specification
Appearance	Colorless transparent liquid
Purity	≥95%
Chromaticity	≤30
Refractive index $n^{25D}$	1.4340-1.4440

**Package:** 25Kg Drum.

### Application:

- It is used in organic synthesis intermediates and pharmaceutical intermediates.

**Storage:** Keep away from open flames, hot surfaces and sources of ignition. Keep container tightly closed.

**Recommend Shelf Life:** 12 months.
