

YAC-HMDSO GENERAL GRADE

Hexamethyldisiloxane

CAS No. 107-46-0

Specifications:

Tests	Specification
Appearance	Colorless transparent liquid
Assay	$\geq 99.0\%$
Color (Pt-Co)	≤ 20
Moisture	$\leq 1000\text{ppm}$
Density (20°C)	$0.755 \sim 0.775\text{g/cm}^3$
Refractive index (nD ²⁵)	$1.370 \sim 1.380$

Package: 150Kg/Drum

Application:

- It is used as end capping agent, cleaning agent, and mould release agent mainly in the organic chemical industry and medicine chemical industry.

Storage: Keep away from open flames, hot surfaces and sources of ignition. Keep container tightly closed.

Recommend Shelf Life: 12 months.
