

YAC-TES

Triethylsilane

CAS No. 617-86-7

Specifications:

Tests	Specification
Appearance	Colorless transparent liquid
Assay	≥99.0%
Moisture	≤0.1%

Package: 20Kg/Drum or 140Kg/Drum

Application:

- Used in the synthesis of pharmaceutical intermediates.

Storage: Containers should be tightly closed after opening to prevent water vapor from entering and producing hydrolysis.

Recommend Shelf Life: 12 months.
